

Flying Safely - Decisions & Distractions

Loss of control is a primary factor in most accidents. We know how to fly so why does this happen? Could it be the decisions we make related to the distractions we encounter? If so, how can we avoid this hazardous situation?

Directions: FBO Meeting Room

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
